Eccl 3-1

A photograph of a rural landscape. In the foreground, a wide, light-colored gravel road curves from the bottom left towards the center. To the right of the road is a green field with a wooden fence. In the middle ground, there are several farm buildings, including a long white structure and a cluster of buildings with silos. The background consists of rolling green hills under a grey, overcast sky. Three text boxes with bullet points are overlaid on the image.
